ABOUT US

The SPOR Evidence Alliance is a Canada-wide partnership between:

- Researchers
- Patients and the Public
- Healthcare Providers
- Health System Decision-Makers

Jointly funded by the Canadian Institutes of Health Research and 41 funding partners from public and not-for-profit sectors to create a collaborative research environment.

OUR MISSION

To promote a Canadian health system that is increasingly informed and continuously improved using scientific evidence.

OUR APPROACH

Our work is guided by evidence-informed methods to ensure the highest standards in research practice.

Our research environment promotes inclusiveness, respect and collaboration.

Our research is conducted with decision-makers (including patients) who use and are impacted by the findings.

KEY ACTIVITIES

- **Research Query Services**
  We have researchers across Canada with diverse expertise to respond to decision-maker research needs.

- **Training and Skills Development**
  We offer a range of courses and workshops to support and grow researchers and decision-makers who use research findings.

- **Ideas and Innovation**
  We promote and advance the use of scientific knowledge.

- **Knowledge Synthesis**
- **Clinical Practice Guidelines**
- **Knowledge Translation**
