

ABOUT US

The SPOR Evidence Alliance is a Canada-wide partnership between:

Researchers

Patients and
the Public

Healthcare
Providers

Health System
Decision-Makers

Jointly funded by the Canadian Institutes of Health Research and 41 funding partners from public and not-for-profit sectors to create a collaborative research environment.

OUR MISSION

To promote a Canadian health system that is increasingly informed and continuously improved using scientific evidence.

OUR APPROACH

Our work is guided by **evidence-informed methods** to ensure the highest standards in research practice

Our research environment promotes **inclusiveness, respect and collaboration**

Our research is conducted with **decision-makers (including patients) who use and are impacted by the findings**

KEY ACTIVITIES

Research Query Services

We have researchers across Canada with diverse expertise to respond to decision-maker research needs

Training and Skills Development

We offer a range of courses and workshops to support and grow researchers and decision-makers who use research findings

Ideas and Innovation

We promote and advance the use of scientific knowledge
